Description

Complete Vauxhall UK operations, to include 2 decrepit factories and large chain of disinterested Dealerships. Will throw in large quantity of unsold stock to include dull diesel rep-mobiles, shoddy hatchbacks and unappetising SUVs. Also includes a large bribe from the UK Government to keep the communist layabout employees employed for another 15 minutes at colossal expense to the taxpayer. I won't split, buyer to collect, I want £1'000'000 mailing to my PayPal account within 2 seconds of auction ending. Not allowed to P/X, wink wink, you buy mine I buy yours, looking for something German and profitable. Sorry, no Frenchies or Koreans. No tyre-kickers, Russian/Canadian conglomerates or John Towers led consortiums. Happy bidding !
